## Where Do We Find Jesus?

On Sunday morning, following the death of our Lord, the Bible teaches that women came to the tomb to anoint Jesus with spices following His crucifixion and burial. To their amazement they did not find him.

Have you ever wondered why they did not find Him? Was it because they were not looking? Were they not searching diligently enough? Was it because they were not sincere in their motives? The answer to each of these questions is NO!

The truth of the matter is that they did not find Jesus because he was not there! Simply put, they were looking in the wrong place! Many people today are much like these women. They are looking for Jesus, yet not finding Him. The problem is not in their lack of effort or sincerity in searching. The problem with the women at the tomb was that they were looking in a grave, and Jesus was not in a grave!

Many people today look in worldly things, but He is not there. They look among their wealth. He is not there. They look among their comfort. He is not there. They look in their recreation. He is not there. They look in many places and He is not there. So, where is Jesus?

The angels at the tomb asked the women, a vital question concerning His whereabouts. They asked ([Luke 24:5](#)), "Why do you seek the living among the dead? They thought that they should be looking for Jesus to be among the dead in the tombs. In reality, He was with the living because He was alive!

What a great lesson that is for us today! Maybe we are not finding Jesus because we are looking among things that do not present true life. We need to look where true life can really be found. And, where is that? Jesus, Himself, said, "the words that I speak to you, they are spirit, and they are life." ([John 6:63](#)) In order for us to do that, we must have a profound respect for the Bible, the Word of God, Himself! And, we must be diligent in our study of it! Only then will we find Jesus!

Think about it!

**...be made new in the attitude of your minds... [Ephesians 4:23](#)**

We cannot renew ourselves on our own. We can guard ourselves against corrupting influences. We can offer ourselves to God and come to discern his will more fully ([Romans 12:1-2](#)). Ultimately, however, God himself must do the renewing, not just when we are saved, but daily. Only God's grace can sustain, empower, and renew us. Let's offer ourselves to him. Then, let's confidently ask for his grace to empower, perfect, and renew us!
