What Do You Think Of Christ?

On an occasion when Jesus was talking to some of the Pharisees, He asked them this question. His purpose was not to ridicule them, but to see if they really knew who He was. He confounded them by informing them that the Christ was both the “son of David” and David’s “Lord.” They were speechless.

I wonder what we would say if Jesus posed the question to us today. Would we respond by saying that He really lived in the first century? Would we say that He had a humble birth, being born of a virgin and placed in a manger? Would we say that He lived a life of obscurity and was crucified as a common criminal?

Would we go further than that? Would we say that He always has existed, and always will exist? Would we say that He gave up much in order to come to earth in human flesh? Would we say that while He was human that He was also the Son of God? Would we say that He lived a perfect life under the Law of Moses (something no one else in history has done)? Would we say that He sacrificed Himself for the salvation of all who will come to Him? Would we say that He is presently functioning as

our “high Priest” in Heaven because we cannot approach God without Him?

Would we go even further than that? Would we say that He has not only impacted the world, but that He has also impacted our personal lives and has given us hope that we cannot get anywhere else? Would we say that He has, and is, the answer to all of life’s problems? What do you think of Christ?

Think about it!

Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is, His good, pleasing, and perfect will. — [Romans 12:2](#)

Don't be molded by the world. Wow, isn't that a tough one to obey. It's a reminder that what we think is one of the places of greatest spiritual warfare. Sloppy thinking is more than sloppy, it's dangerous because we are fed messages constantly that distort God's truth and holy values. But rather than being incensed by the world acting like the world, let's be transformed by renewing our minds and doing what Paul said he did, take every thought, every word, captive for Christ. We often think a tithe is giving ten percent of our money, but an even more vital tithe is giving ten percent of our totally undivided thought time to the things of God!
