"Temples of the Holy Spirit!"

Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore, honor God with your bodies.
1 Corinthians 6:19-20 NIV

When this was written, temples were the places where the gods were thought to live. More than places of worship, these were places of presence. So, when Paul reminds us that we are temples of God's presence through the Holy Spirit, he is saying something quite profound. God lives in us! We are the places of God's dwelling. We are holy temples, not because we cleansed ourselves or made ourselves into some incredible dwelling place but because God bought us and sanctified us with the price of Jesus' life. We are his purchased prime real estate so that his glorious presence can be seen in the world in which we live. As the place where God lives by his Spirit, we are challenged to honor and glorify God with our bodies, his temples. No matter how you may look at your physical appearance, remember this: You are holy, precious, and glorious because the King of Glory has made his home in you through the Holy Spirit!

My Jammed Finger

I was tossing the football with the boys. While reaching to catch the ball, it jammed my right ring finger. Anyone who has played sports has experienced this compression of the joints that injures the finger's ligaments. While painful, it is not serious. Nevertheless, it leaves the affected finger nearly unusable.

All members of the body are important.

My jammed finger reminds me that the finger is a member of my body. 1 Corinthians 12:12 states, "For as the body is one and has many members, but all the members of that one body, being many, are one body, so also is Christ." No one is insignificant in Christ, and each member has been added to the body by Christ in baptism. Are you a member of the body?

My jammed finger reminds me of the importance of that finger! In 1 Corinthians 12:21, we read, "And the eye cannot say to the hand, 'I have no need of you'; nor again the head to the feet, 'I have no need of you.'" With a jammed finger, I can't wash my hair the same, tie my shoes the same, or write the same. I need all my body parts working! We need every Christian to work. Christ's body becomes dysfunctional when one member is not working.

My jammed finger reminds me of my love for my finger. Paul taught in 1 Corinthians 12:24-25, "But God composed the body . . . that the members should have the same care for one another." When I jammed my finger, the left hand cradled my right; my feet moved toward the house; my voice said, "I'm done playing." Christians ought to respond when a member of Christ's body is harmed. Will we take care of one another? Will we apathetically ignore one another's spiritual needs? We must love, care, and change our behavior.

"Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God."
