God's Guide to a Well-Lived Life

Mark 5:35-43

Where is the most beautiful place you have been; the most beautiful natural sight you have ever seen? In Michigan? In the United States? Outside the United States?

The most beautiful place you have ever seen pales in comparison to heaven. Do you believe that? How badly do you want to go? How strongly do you want to see Jesus?

The miracles like healings and exorcisms and walking on water – those proved Who Jesus is. Resurrections prove what Jesus does. Jesus healed people of leprosy and paralysis and blindness and deafness. But, none of those miracles directly impact us. But resurrections do.

THE DISTRAUGHT FATHER – **Mark 5:21-24:**

Jarius shows his great faith in Jesus, for what else would compel a loving father to leave the deathbed of his only daughter? He had heard of Jesus. He knew Jesus to work miracles. He knew Jesus to be a man of love. So, he went with high hopes and great expectations. Jesus left with him, always ready to bless others.

JESUS HAS POWER OVER DEATH – **Mark 5:35-43:**

While Jesus was still speaking, a messenger comes to the synagogue ruler and tells him his daughter had died. Sadder news could not have been delivered. His heart, no doubt sank. His eyes filled with tears. His shoulders slumped. But the Son of Love says to him, "Do not be afraid; only believe." Jesus has just stopped a disease that would cause death; He surely has the same power to reverse death!

Touching the dead body, He said, "Little girl, I say to you, get up!" She got up, began to walk and everyone was "completely" astounded!

This, and other miracles of healing show us:

1. Jesus' power over diseases.
2. Jesus' power over health.
3. Jesus' love and compassion.
4. Jesus' impartiality.

Jesus will cure all our diseases, including our mortality, one day. Come to Him and let Him touch you.

Your fellow-servant in Christ,
Paul Holland
Daily Droplets
